

DELIQUENT COMPANIES MUST FACE THE IRE OF FEDERAL GOVERNMENT

Two thousand three hundred out of the 4000 corporations in the internal revenue district under the jurisdiction of Internal Revenue Collector August E. Muentner of California failed to file at his office not later than March 1st of this year, a statement of their net earnings during the year 1910, and have been notified by the collector that the matter of their neglect has been referred to United States District Attorney Robert T. Devlin for prosecution under the statute imposing a fine upon such delinquents of not less than \$1000 or more than \$10,000.

The prosecutions will be in their nature both civil and criminal. Paragraph 3 of section 38 of the act of August 5, 1909, states:

"If any of the corporations, joint stock companies, shall refuse or neglect to make a return at the time or times hereinbefore specified in each year, or shall render a false or fraudulent return, such corporations, joint stock company, or association, or insurance company, shall be liable to a penalty

of not less than \$1000 and not exceeding \$10,000.

If the minimum fine shall be collected from each of the delinquents the United States treasurer will be enriched by \$2,300,000 in the excise fund.

The collector, however, holds out some hope. Delinquents, he says, are privileged under section 3229, revised statutes, to submit an offer in compromise of the case against them.

Collector Muentner says that it is immaterial whether or not a corporation transacted business, or whether or not it conducted its business at a profit or loss or whether or not the corporation ceased to exist during any part of the year 1910, must file a return of the net income.

All offers of compromise must be tendered in gold coin by express prepaid, or by postal money order, or certified check, to August E. Muentner, Collector internal revenue.

The excise tax on corporations is one per cent of the net annual income.

PERISHES IN GREAT SALT LAKE

OHIO MAN DRAWS BRINE INTO
LUNGS AND NEVER REGAINS
CONSCIOUSNESS.

SALT LAKE CITY, Utah, June 20.—David A. Evans, general superintendent of the Emma Coal company of Jackson, Ohio, strangled to death in the water of Great Salt Lake yesterday afternoon. Mr. Evans has been touring the west since June 5 and was bathing in the lake. He was found by spectators on the piers floating face downward in about three feet of water.

He was quickly taken from the water and while his heart was still beating, an hour and a half of work failed to resuscitate him. No one saw him strangle, but it is believed that, being unfamiliar with the extremely salty water of the lake, he drew some of the brine into his lungs. The body will be sent to Jackson for burial.

SAVAGE BULLDOG ATTACKS A MAN AT GERLACH

George Taylor, a laboring man of Gerlach, was severely bitten by a savage bulldog at that place on Sunday. The dog, which belongs to Constable Scott Butler of Gerlach, was chained up at the rear door of his saloon.

Disregarding the conspicuous posted sign: "Beware of the Dog!" Taylor started to enter the rear door of the saloon, when the dog flew at his throat and fastened his fangs in the man's face.

The lower part of his nose was torn nearly off before the savage animal could be forced to release his hold. Taylor's upper lip was torn open and one of the animal's fangs made a wound about an inch deep under the man's chin.

Taylor was brought here on Western Pacific train No. 4 last night and his wounds were dressed by Dr. Hall, twenty-seven stitches being required to close them. He is at the Elite lodging house and Mrs. Aurnor, a nurse is caring for him. His wounds are most painful, but no serious outcome is expected, unless blood poisoning should set in. Constable Butler brought Taylor to Winnemucca to be treated. The officer said he would kill the dog, but Taylor objected, saying it was his own fault that he was bitten. —Humboldt Star.

TONOPAH PARTY PAYS A VISIT TO MANHATTAN

O. G. STEEN REPORTS A NEW
STRIKE ON BIG FOUR—HUGH
HERD LEASING.

Percy Oaks, E. B. Paxson and Russ Williams formed an auto party to visit Manhattan Sunday, returning Monday morning. The boys made the trip to look the mining situation over and what they saw in the camp was a revelation.

Hugh Herd, formerly of this city, with associates, has a very promising lease on the Dexter. The lease has taken out \$3000 worth of ore and has just started. A nice body of ore is exposed and the owners are very enthusiastic over the outlook.

O. B. Steen, of the Big Four, informed the boys that they had made a new strike in that property the same day that looks better than anything heretofore exposed, but it was too early to say just what it would amount to. The Big Four is a wonderful property and is paying the fortunate leasers who are operating there handsome returns.

NO RESIDENT DELINQUENTS
IN WHITE PINE COUNTY

Only seven delinquents appeared on the tax list Monday last when it was turned over to the printers for publication. The total amount of taxes due was only \$468, of which amount the Murry Sheep company of Utah, was down for \$416.

The other six delinquents were also non-residents of the county, and all doubtless would have paid had it been possible to have notified them in time through the mails, but their addresses were not known to the tax collector.

It is a splendid showing and one that cannot be equaled by any other county in the state. As a matter of fact the people of White Pine county do not know the meaning of "hard times," an expression seldom ever heard in this section. —Record.
